The library was closed on Monday, May 29th to observe Memorial Day.

Library Personnel

Total scheduled (desk) volunteer hours for the month of May, 2006: 370 hours.

Pam Mackellar is now managing the library's page on the village website. She is also working on an updated map of the library floor plan for patrons and for the Fire Department to use in case of fire.

A new "Knox-Box" is being installed near the front door for access for the Fire Department.

Library News

We are now keeping a count on computer users on the Gates computers. In May, there were a total of 792 users signed in.

The new teen addition is nearly completed. There was an open house with a teen fashion show on Saturday morning, May 20th, to celebrate the new room. Refreshments were served by the Friends of the library.

The summer reading program, *Words of Enchantment*, will begin on Tuesday, June 6th at 7 p.m. with our favorite local performers, John Stokes and Nancy Latuja performing stories and music from around the world.

The security system at the library was updated by Professional Security Consultants in May. Frank Keane donated the system and the installation for the library. The system is wireless.
