

Corrales Community Library Board

Meeting Minutes

November 8, 2007

I. Attendance

President Nancy Kelbley called the meeting to order at 7:45 PM in the Library. Members present: Louis Baudoin, Kay Burgess, Ginger Foote, David Johnson and Bill Wible. Librarian Edwina Tafoya was also present. Donna Wylie was excused.

II. Agenda

The Board approved and accepted the agenda as presented.

III. Minutes

Minutes were approved and accepted as amended.

IV. Librarian's Report (Please see attached report).

Items discussed that were not in the report include:

A. The board discussed an apparent increase in the use of the library by the Cottonwood Montessori School. It was suggested that they may be outgrowing their current collection and how nice it is that they chose CCL as a place for their students to research and work. The question of how we might more formally encourage that usage arose. It was suggested that this might be a project worthy of FOCL's attention.

B. The CCL has purchased a set of **World Book E-Books** and hopes to offer them to patrons in much the same manner that we currently do with the magazine database.

C. It was reported that Edwina had represented CCL and served as a presenter at the recent State Coalition of Charter Schools Conference.

V. Old Business

There was no Old Business brought before the Board.

VI. New Business

Final Christmas Party details were ironed out. A (very) brief discussion occurred lamenting the elimination of egg nog from the party wine list. Mr. Baudoin's suggestion of puréed fruitcake daiquiris as a festive substitute may have contributed greatly to the brevity of this conversation.

The next Board meeting is scheduled for January 8, 2008. The meeting was adjourned at 8:30 PM.

Respectively submitted,

Louis Baudoin
