

Animal Evacuation Plan

As the fire danger season continues we would like everyone to be as prepared as possible. Please be sure to have a way to evacuate your animals and transport them to the designated animal evacuation locations or to a safe destination of your choice. Attached is the Animal Evacuation Plan Corrales Animal Services uses. Please be sure to print out this plan and keep it on hand. You will need one animal intake and release form per pet. If you have any questions, do not hesitate to contact us at 505-898-0401.
